WARNING

If you own a firearm please be sure it is unloaded and locked safely out of reach of children. Never store firearms and ammunition together. The safest protection against accidents involving children is to store your firearm unloaded in a locked security case, with the ammunition stored in a separate locked security case. V-Line is dedicated to increasing gun safety and reducing firearm accidents.

TACTICAL WEAPONS LOCKER XD

Designed for our friends in Law Enforcement, Security, and Public Safety, the Tactical Weapons Locker XD is an ideal fit in most SUV's in the back trunk area between the wheel wells. The Tactical Weapons Locker XD is large enough to accommodate several firearms with accessories.
