WARNING

If you own a firearm please be sure it is unloaded and locked safely out of reach of children. Never store firearms and ammunition together. The safest protection against accidents involving children is to store your firearm unloaded in a locked security case, with the ammunition stored in a separate locked container. V-Line is dedicated to increasing gun safety and reducing firearm accidents.

WARRANTY

V-Line warrants that all products manufactured under the V-Line name shall be free from defects in material and workmanship for a period of one (1) year from the date of original purchase. Locks carry a one (1) year warranty from the manufacturer. See warranty for complete information.

CA, DOJ denotes models that are California approved firearm safety devices that meet the requirements of California Penal Code Section 12088 and the regulations issued thereunder.

All sizes and weights are approximate. Weights listed are shipping weights. Prices and specifications subject to change without notice. V-Line reserves the right to make changes to product specifications without notice.
